

Mobile Citizen: Street Ready

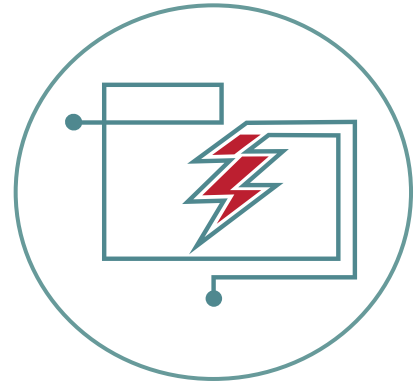

Amplify your organizing efforts with rapid-response internet access.

Need a temporary mobile internet solution to boost your grassroots activism? Mobile Citizen's Street Ready program is here to help.

Rapid Response Hotspots and Wireless Internet

- 1 month of renewable, cost-free service and loaned devices for qualified organizations
- Increase your organizing capability by allowing up to 10 activists in the field to connect to a hotspot at one time
- Livestream protests, rallies and your organization's other activities without using your limited resources

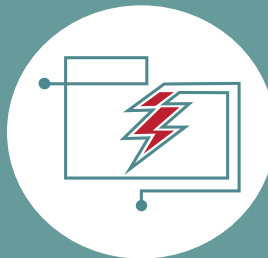

Coverage

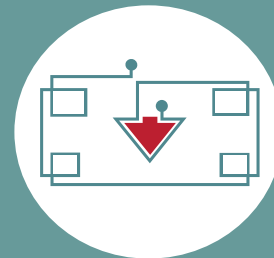

Our internet service is provided on Sprint's network. Check your local coverage by visiting our website at mobilecitizen.org

4G LTE Internet

No Throttling

No Overage Charges

Mobile Citizen, a Voqal initiative, aims to advance social equity through access by providing low-cost wireless internet exclusively to nonprofit organizations, educational entities and social welfare agencies. Powered by 4G LTE technology, Mobile Citizen's internet service is available nationwide for a remarkably low cost. We believe that making the internet available at an affordable price contributes to an engaged public and ultimately a more equitable democracy.
